# 912 Project Fort Worth Presents WAKE UP AMERICA TEA PARTY

September 18, 2010 • Doors Open at 12pm (noon)

Are you tired of liberals in Washington not working in the best interest of the people? Are you fed up with big government, Obamacare, Cap and Trade, loss of individual liberties, out of control stimulus bills and illegal immigration? We are ordinary Americans that are fed up with big government and the erasure of the U.S. Constitution. Come join us. Show them the U.S. Constitution is still important. Show them freedom is still important. Show them the silent majority will no longer be silent. WAKE UP AMERICA, LET THEM KNOW THEY WILL HEAR US ON NOVEMBER 2, 2010.
